[6.8] Number of Events Related to Sustainability

The screenshot displays the UCV Noticias website with two news articles. The first article, titled "UCV DESARROLLA ENCUENTRO UNIVERSIDAD SUSTENTABLE", features a group photo of award recipients. The second article, titled "REALIZADA 6TA EDICIÓN DEL ENCUENTRO YO MIDO: EXPERIENCIAS Y APRENDIZAJES", includes a video player showing a virtual meeting. Below the articles is a promotional graphic for the "¡Yo mido! Experiencias y aprendizajes 6ta edición" event, held on Wednesday, May 31, 2023, from 2:00 p.m. to 4:00 p.m. via Zoom. The graphic lists speakers: Mary Carmen Villasmil (UNFPA Venezuela), Eduardo Ramos (UNFPA Venezuela), Carlos Ramos (AVESA), and Diana Hernández (Universidad Central de Venezuela). Logos for SEMANA DE LA EVALUACIÓN GLOCAL, ACES UCV, UNFPA, and DECADE 2030 ACTION are also present.

Events Related to Sustainability (Central University of Venezuela)

**Description:**

From the School of Administration and Accounting, Professor Diana Hernández has promoted and organized different activities to promote comprehensive training in different areas related to sustainability and the SDGs, especially with SDGs #4, #4, #17 with the participation of students, university professors, partners of accounting firms, representatives of the United Nations such as the Population Fund and the UN Alliances section and the general public; with in-person and virtual activities.
